Issue [Number 67 of ZEHAR](#), published regularly by Arteleku, is given over to the theme of landscape. This podcast contains the tracks in the CD distributed with the magazine. It is partly intended to illustrate or sonorize (and even sonify) some of the texts using different kinds of field recordings made by a number of different phonographers. To get a copy of the magazine (+ CD), just [contact Arteleku](#). You can also download it in PDF format by following the links you can find in the link to HOTS!Radio.
